**Infidelity** Kenneth Paul Rosenberg, 2018-05-15 What the latest science tells us about the brain's reward systems love and sex and how to prevent an affair from destroying your life How can I prevent an affair from destroying my life Whether I am the cheater or the betrayed partner how can I survive even thrive in the wake of an affair Infidelity provides key insights to find your true sexual and romantic potential and advocates honesty trust and integrity the fundamentals of love People often cheat in a haze of delusion believing that it will bring them real love help them have better sex lift their spirits and boost their sagging self esteem however very often cheating wrecks relationships and erodes self esteem In Infidelity one of America's top doctors combines neuroscience addiction theory and common sense to explain the three types of cheating emotional virtual and physical why they're so prevalent and how to live in accordance with our values when we are drawn to stray Examining what the latest science tells us about the brain's reward systems love and sex Dr Kenneth Paul Rosenberg reveals what drives men and women to cheat and what they can do about it At a time when America's pornography obsession rises to the level of a competing sexual interest when is porn a problem and when does it count as infidelity And since it is not the act of infidelity alone that destroys a couple how does any couple prevent growing apart Through concrete rules addressing these and other vital questions Dr Rosenberg guides couples on how to prevent cheating stop it from progressing and repair the damage caused by an affair

Chasing Masculinity Alicia M. Walker, 2020-10-17 This book analyzes men's experiences and perceptions regarding their participation in infidelity and offers a glimpse into the inner workings of their most intimate relationships as well as the ways men negotiate marriages that fall short of their expectations Using a sample collected from the online dating service Ashley Madison this book finds that contrary to gendered social scripts the men in this study described motivations for outside partnerships that were not rooted in the desire for sexual pleasure or variety Rather men described those relationships as an outlet to soothe their bruised egos receive attention and validation from a romantic partner and to fight their feelings of emasculation These infidelities thus provide support and praise and aid in the processing of complex emotions This in depth analysis provides a unique insight into men's experiences of sexuality and masculinity and will be of keen interest to those seeking to understand male infidelity from a sociological perspective across gender studies psychology counselling and beyond

*The Truth about Cheating* M. Gary Neuman, 2008-07-23 The New York Times bestselling look at the real reasons for male marital infidelity and what might prevent it Few events cause as much turmoil in a marriage as infidelity It can shatter trust and breed insecurity and resentment from which some relationships never recover People who think it won't happen to them are hit that much harder when it does Why are men unfaithful Can infidelity be prevented What do men say they're getting from their mistresses that they're missing at home Do a man's friends have anything to do with his willingness to cheat In this New York Times bestselling book experienced family counselor M Gary Neuman shares the revealing and surprising findings of a cutting edge research study in which he

interviewed men across the country who have physically cheated on their wives Neuman shares many shocking discoveries including the prominent role of emotional dissatisfaction in motivating husbands who stray and how small a role sexual dissatisfaction plays Based on a groundbreaking study of both cheating men and men who have remained faithful Reveals surprising findings on the contribution of sexual and emotional dissatisfaction to male infidelity Written by experienced family counselor M Gary Neuman coauthor of *In Good Times and Bad* and author of *Emotional Infidelity* Neuman and The Truth about Cheating were featured twice on The Oprah Winfrey Show Drawing on dramatic case stories of the author's own work with clients The Truth about Cheating includes proactive strategies and action steps for married women to help them prevent infidelity and create a faithful and rewarding marriage [Why Do Married Men Cheat with Unattractive Women?](#) Emunah La-Paz, 2011-04 The Cheat Down Blog Judie a gorgeous model is baffled when she discovers an unflattering picture of a woman with whom her husband has been having an affair Judie decides to take her ordeal to the web Judie's online diary sparks a blogging war This book contains feedback from men and women searching for solid relationships **The State of Affairs** Esther Perel, 2017-10-10 A fresh look at infidelity broadening the focus from the havoc it wreaks within a committed relationship to consider also why people do it what it means to them and why breaking up is the expected response to duplicity but not necessarily the wisest one LA Review of Books From iconic couples therapist and bestselling author of *Mating in Captivity* comes a provocative and controversial look at infidelity with practical honest and empathetic advice for how to move beyond it An affair it can rob a couple of their relationship their happiness their very identity And yet this extremely common human experience is so poorly understood What are we to make of this time honored taboo universally forbidden yet universally practiced Why do people cheat even those in happy marriages Why does an affair hurt so much When we say infidelity what exactly do we mean Do our romantic expectations of marriage set us up for betrayal Is there such a thing as an affair proof marriage Is it possible to love more than one person at once Can an affair ever help a marriage Perel weaves real life case stories with incisive psychological and cultural analysis in this fast paced and compelling book For the past ten years Perel has traveled the globe and worked with hundreds of couples who have grappled with infidelity Betrayal hurts she writes but it can be healed An affair can even be the doorway to a new marriage with the same person With the right approach couples can grow and learn from these tumultuous experiences together or apart Affairs she argues have a lot to teach us about modern relationships what we expect what we think we want and what we feel entitled to They offer a unique window into our personal and cultural attitudes about love lust and commitment Through examining illicit love from multiple angles Perel invites readers into an honest enlightened and entertaining exploration of modern marriage in its many variations Fiercely intelligent The State of Affairs provides a daring framework for understanding the intricacies of love and desire As Perel observes Love is messy infidelity more so But it is also a window like no other into the crevices of the human heart *The Secret Life of the Cheating Wife* Alicia M. Walker, 2017-10-24 Using a sample collected from Ashley

Madison this book is the result of a yearlong inquiry into women's extramarital experiences. Ultimately, these women reject the binary proposition of marriage that assumes that either we work on our marriages and remain monogamous within them or we break up the relationship and take up other relationships. These women conceive of an alternate solution to a marriage that is not wholly working where their own needs are ignored, unmet, and not prioritized. Thus, the women in this study are engaging in secret defiance of the expectations of marriage and primary partnerships. This book gives voice to women's experiences and perceptions regarding their participation in infidelity and glimpses into the interworkings of our most intimate relationships and the ways women negotiate marriages that fall short of their expectations. *150 Reasons Why Married Women Cheat on Their Husbands* Mary Bright, 2021-08-13

In the past, there have been more significant differences in the reasons why men cheat and why women cheat, with men cheating more for sexual variety and women cheating more because of relationship dissatisfaction. But nowadays, that gender gap in infidelity is closing. Men and women cheat for many of the same reasons and at similar rates. Whether it's physical or emotional intimacy is one of those needs we all want to see met. If a woman isn't feeling intimately fulfilled in her relationship and someone comes along who exhibits that type of intimacy, there will be an attraction. Some older research has found women tend to have a stronger emotional connection to the new person they're cheating with than male cheaters do, suggesting romance is part of the cheating equation for women. Sometimes people cheat because the new person gave them a new feeling or made them feel like someone else. Women report that an affair lover makes them feel special, sexy, and adored, and that attention is hard to ignore, no matter what their spouse does at home. Cheating is, in all honesty, not that uncommon. If it happens in your relationship, that doesn't mean it has to be the end of the road for the two of you.

*Infidelity* Kenneth Paul Rosenberg, 2018-05-15

What the latest science tells us about the brain's reward systems, love, and sex, and how to prevent an affair from destroying your life. How can I prevent an affair from destroying my life? Whether I am the cheater or the betrayed partner, how can I survive, even thrive, in the wake of an affair? Infidelity provides key insights to find your true sexual and romantic potential and advocates honesty, trust, and integrity, the fundamentals of love. People often cheat in a haze of delusion, believing that it will bring them real love, help them have better sex, lift their spirits, and boost their sagging self-esteem. However, very often, cheating wrecks relationships and erodes self-esteem. In *Infidelity*, one of America's top doctors combines neuroscience, addiction theory, and common sense to explain the three types of cheating: emotional, virtual, and physical. Why they're so prevalent and how to live in accordance with our values when we are drawn to stray. Examining what the latest science tells us about the brain's reward systems, love, and sex, Dr. Kenneth Paul Rosenberg reveals what drives men and women to cheat and what they can do about it. At a time when America's pornography obsession rises to the level of a competing sexual interest, when is porn a problem, and when does it count as infidelity? And since it is not the act of infidelity alone that destroys a couple, how does any couple prevent growing apart?

Through concrete rules addressing these and other vital questions Dr Rosenberg guides couples on how to prevent cheating stop it from progressing and repair the damage caused by an affair      **The Monogamy Gap** Eric Anderson,2012-03-21 Whether straight or gay most men start their relationships desiring monogamy This is rooted in the pervasive notion that monogamy exists as a sign of true love Yet despite this deeply held cultural ideal cheating remains rampant In this accessible book Eric Anderson investigates why 78% of men he interviewed have cheated despite their desire not to Combining 120 interviews with research from the fields of sociology biology and psychology Anderson identifies cheating as a product of wanting emotional passion for one s partner along with a steadily growing desire for emotionally detached recreational sex with others Anderson coins the term the monogamy gap to describe this phenomenon Anderson suggests that monogamy is an irrational ideal because it fails to fulfil a lifetime of sexual desires Cheating therefore becomes the rational response to an irrational situation The Monogamy Gap draws on a range of concepts theories and disciplines to highlight the biological compulsion of our sexual urges the social construction of the monogamous ideal and the devastating chasm that lies between them Whether single or married monogamous or open straight or gay readers will find The Monogamy Gap to be an enlightening intellectually compelling and provocative book      How Sex Works Sharon Moalem,2009-04-28 Social sciences
