The Long Trial of Nolan Dugatti Stephen Graham Jones, 2024-10-01 This strange subtle story of father son

disaffection and disjointed love is told with Jones's signature narrative inventiveness and dark humor. Kris Saknussemm, author of *Private Midnight*, if drinking mercury from a thermometer didn't kill him, maybe spray painting in an unventilated garage would. Or so Nolan's father thought. One inspired yet failed suicide attempt after another, each with a note to his son with only a hint of accusation. But as Nolan sits in an empty office building, the last customer service employee for a nearly obsolete video game, those many suicide notes come back to haunt him. As do the levels of the game that no one plays anymore. And now a homicide detective is on the phone. Maybe his father was right when he wrote that he was teaching Nolan not to give up, that the only way to understand what happened was to make it to the end of the game. But there's no cheatcode that's going to get Nolan through this. Two unreliable narrators, a bunch of suicide letters, and a plot that collapses on itself just like the characters do.

Stephen Graham Jones is our contemporary Jorge Luis Borges. Michael Kimball, author of *Big Ray*, like Lethem and Murakami before him, Jones mines his genre fiction past to bring us a work of startling literary merit. Mystery, horror, sci-fi: the ingredients are all in there.

David Goodwillie, author of *Kings County*, a stark exploration of guilt, grief, and fear. And did I mention that it's funny? Unplug your consoles, kids, and play this book.

Zack Wentz, author of *The Garbage Man and the Prostitute*, *How to Sell a Haunted House*. Grady Hendrix, 2023-01-17. AN INSTANT NEW YORK TIMES BESTSELLER. Wildly entertaining. The New York Times. Ingenious. The Washington Post. New York Times bestselling author Grady Hendrix takes on the haunted house in a thrilling new novel that explores the way your past and your family can haunt you like nothing else. When Louise finds out her parents have died, she dreads going home. She doesn't want to leave her daughter with her ex and fly to Charleston. She doesn't want to deal with her family home stuffed to the rafters with the remnants of her father's academic career and her mother's lifelong obsession with puppets and dolls. She doesn't want to learn how to live without the two people who knew and loved her best in the world. Most of all, she doesn't want to deal with her brother Mark, who never left their hometown, gets fired from one job after another, and resents her success. Unfortunately, she'll need his help to get the house ready for sale because it'll take more than some new paint on the walls and clearing out a lifetime of memories to get this place on the market. But some houses don't want to be sold, and their home has other plans for both of them.

Like his novels *The Southern Book Club's Guide to Slaying Vampires* and *The Final Girl Support Group*, *How to Sell a Haunted House* is classic Hendrix: equal parts heartfelt and terrifying, a gripping new read from the horror master.
