## **Let It Snow: A History of the Holiday Classic**

Ever heard the instantly recognizable, cheerful strains of "Let It Snow! Let It Snow! Let It Snow!"? This seemingly simple holiday tune has a surprisingly rich history, far exceeding its catchy melody and nostalgic lyrics. This post delves into the fascinating story behind "Let It Snow," exploring its creation, enduring popularity, and its enduring place in the holiday season. We'll uncover the musical genius behind it, its surprising initial reception, and its eventual rise to become a timeless Christmas classic. Get ready to add a layer of festive knowledge to your holiday cheer!

### **The Genesis of a Winter Wonderland: Sammy Cahn and Jule Styne**

The magic behind "Let It Snow" began in 1945, a time when the world was still recovering from the horrors of World War II. Amidst the post-war anxieties, two unlikely collaborators – Sammy Cahn, a lyricist known for his witty and heartfelt words, and Jule Styne, a composer celebrated for his sophisticated melodies – came together to create a song that would capture the hearts of generations. Interestingly, they wrote "Let It Snow" during an unusually warm July day in Los Angeles! This ironic juxtaposition – composing a winter wonderland tune during a summer heatwave – adds a whimsical touch to the song's origin story. The pair sought to evoke a feeling of cozy winter romance, a much-needed escape from the realities of the time.

### **More Than Just Snowflakes: Deconstructing the Lyrics and Melody**

The genius of "Let It Snow" lies not only in its infectious melody but also in its evocative lyrics. Cahn's words paint a vivid picture of a romantic winter scene: "Let it snow, let it snow, let it snow," he writes, setting the stage for a cozy evening filled with love and laughter. The lyrics are simple, yet powerfully evocative, bringing to mind images of crackling fireplaces, warm drinks, and intimate moments shared amidst a falling snow. Styne's melody perfectly complements Cahn's words, creating a seamless blend of romance and holiday cheer. The song's structure is deceptively simple, yet it's this simplicity that allows the melody to resonate so deeply with listeners. The use of repetition emphasizes the carefree joy of the moment, mirroring the snowball effect of the song's enduring popularity.

### **From Studio to Stardom: The Song's Initial Reception and Rise to Fame**

Despite its undeniable charm, "Let It Snow" didn't immediately become the holiday anthem we know

today. Initially released by Vaughn Monroe, the song received moderate success, but it wasn't until later that it truly took off. Numerous artists covered the song over the decades, each adding their own unique interpretation to the classic. From Dean Martin's smooth crooning to Frank Sinatra's effortless charm, countless versions have cemented its place in the holiday music canon. The song's adaptability, its ability to be reinterpreted and reimagined across various musical styles, speaks to its timeless quality. This enduring appeal is a testament to the song's universal themes of love, warmth, and the magic of the winter season.

## **Beyond the Music: "Let It Snow" in Popular Culture**

"Let It Snow" transcends its musical origins, becoming deeply embedded in popular culture. Its appearance in countless films, television shows, and commercials has further solidified its status as a holiday staple. The song's association with festive imagery and romantic winter scenes has made it a go-to track for evoking feelings of nostalgia and holiday cheer. Its use in advertising, often coupled with heartwarming visuals, has only reinforced its association with positive emotions and holiday memories. In essence, "Let It Snow" has become more than just a song; it's a cultural symbol of the holiday season.

## **The Enduring Legacy: Why "Let It Snow" Remains a Holiday Classic**

The enduring appeal of "Let It Snow" stems from its ability to evoke a sense of warmth, comfort, and nostalgia. The song's simplicity, its catchy melody, and its evocative lyrics resonate with listeners across generations. It speaks to a universal longing for cozy winter evenings, romantic moments, and the magical feeling of the holiday season. The song's continued popularity is a testament to its timeless quality and its ability to connect with audiences on an emotional level. "Let It Snow" is more than just a song; it's a piece of musical history, a cultural icon, and a cherished part of the holiday tradition.

## **Conclusion**

From its humble beginnings on a sweltering July day in Los Angeles to its current status as a timeless holiday classic, "Let It Snow" has a story as enchanting as its melody. Its creation, its initial reception, its many interpretations, and its widespread cultural impact all contribute to its rich and fascinating history. It's a song that continues to evoke feelings of warmth, joy, and holiday spirit, ensuring that its cheerful notes will continue to fill the air during winter celebrations for many years to come.

## FAQs

Q1: Who originally sang "Let It Snow"?

A1: While many artists have recorded the song, Vaughn Monroe's recording was the first commercially released version of "Let It Snow."

Q2: What year was "Let It Snow" written?

A2: The song was written in 1945.

Q3: Were Sammy Cahn and Jule Styne known for other famous songs?

A3: Yes, both were prolific songwriters. Sammy Cahn wrote the lyrics for many iconic songs, and Jule Styne composed the music for numerous popular tunes.

Q4: Has "Let It Snow" been used in any famous movies or TV shows?

A4: Yes, "Let It Snow" has been featured in numerous films and TV shows, often used to establish a festive or romantic atmosphere.

Q5: Why do you think "Let It Snow" remains so popular after all these years?

A5: Its simple, yet evocative lyrics and melody; its association with positive emotions and holiday memories; and its adaptability to various musical styles all contribute to its enduring popularity. The song taps into universal feelings of warmth, nostalgia, and holiday cheer.

**let it snow history: Let It Snow** John Green, Lauren Myracle, Maureen Johnson, 2009-10-01 Now a Netflix Original Film! #1 New York Times bestseller An ill-timed storm on Christmas Eve buries the residents of Gracetown under multiple feet of snow and causes quite a bit of chaos. One brave soul ventures out into the storm from her stranded train, setting off a chain of events that will change quite a few lives. Over the next three days one girl takes a risky shortcut with an adorable stranger, three friends set out to win a race to the Waffle House (and the hash brown spoils), and the fate of a teacup pig falls into the hands of a lovesick barista. A trio of today's bestselling authors—John Green, Maureen Johnson, and Lauren Myracle—brings all the magic of the holidays to life in three hilarious and charming interconnected tales of love, romance, and kisses that will steal your breath away. "A comedy as delicious as any whipped up by the Bard." —Washington Post Book World

**let it snow history: Let It Snow** Darryl Humber, William Humber, 2009-11-16 Winter has shaped Canada's image and has been embraced with hearty enthusiasm from snowshoeing hikers in the nineteenth century, to future hockey stars on backyard rinks, to the indoor spectacle of figure-skating carnivals and curling bonspiels. Much of our literature, our songs, and our memories of youth reflect the bracing tonic that winter brings even as we curse the ice-laden roads on morning commutes or during weekend ski trips. But alas, winter's demise to a weak reminder of its former

glory is a real possibility as climate change wreaks long-term havoc. This timely book takes a fond look at winter's past, its place in Canada's story, and how it has shaped our sports history. It also explores what climate change means for our sense of Canadian identity, for our winter sports heritage and its related industries, and for our ability to hold winter sporting events beyond the 2010 Winter Olympics in Vancouver.

**let it snow history: *Let It Snow*** Maryann Cocca-Leffler, 2010-10 In this simple rhyming story, three children share the activities of winter, until the first signs of spring appear.

**let it snow history: *Let It Snow*** Alicia King, 2023-12-08 Kat, a teenage girl grappling with a hidden depression, finds solace in the deceptive allure of drugs. Struggling silently, she receives medication from her unaware parents, who remain oblivious to her inner turmoil. However, amidst the darkness, Kat encounters Dominic, a compassionate presence who strives to offer genuine support and bring light into her life. Together, they embark on a journey towards healing and happiness. Yet, as their story unfolds, the question lingers: Will Kat ultimately find the strength to overcome her struggles and discover a path to true well-being? *Let It Snow...* is a poignant tale that explores the complexities of mental health, the power of human connection, and the search for inner peace.

**let it snow history: *Let It Snow*** Yvonne Lehman (Deceased), 2013-05-01 For Nancy, loving meant losing a friend. Nancy Walker and Woodrow Lawing were friends until the night seventeen-year-old Nancy whacked Woody with a snowball and he chased her behind a tree. She kissed him and expressed her undying love, but at his age of twenty-three and being best friends with Nancy's older brother, Woody didn't share Nancy's teenage crush. Years passed and they went their separate ways, both believing they had been rejected by the other, but when circumstances bring them together again—Woody a bachelor and Nancy a widow—old feelings emerge. They try to revert to being just friends, yet pain from the past has lessened over time and they wonder if it's really too late for love. As Christmas snowflakes fall, can miracles really happen?

**let it snow history: *Let It Snow*** Nicole Sharp, 2023-12-01 A Christmas Novella Avery Dean is not enchanted at being snowed in on a last-minute job assignment in the small town of Eden, Colorado at Christmastime. But when she stumbles upon handsome Nick Hall and a secret turn of the century love story, well...maybe things aren't all that bad. Let it snow! This book has some strong language, drinking and sex. Enjoy!

**let it snow history: *Snow-Storm in August*** Jefferson Morley, 2013-04-09 In 1835, the city of Washington simmered with racial tension as newly freed African Americans from the South poured in, outnumbering slaves for the first time. Among the enslaved was nineteen-year-old Arthur Bowen, who stumbled home drunkenly one night, picked up an axe, and threatened his owner, respected socialite Anna Thornton. Despite no blood being shed, Bowen was eventually arrested and tried for attempted murder by district attorney Francis Scott Key, but not before news of the incident spread like wildfire. Within days Washington's first race riot exploded as whites, fearing a slave rebellion, attacked the property of free blacks. One of their victims was gregarious former slave and successful restaurateur Beverly Snow, who became the target of the mob's rage. With *Snow-Storm in August*, Jefferson Morley delivers readers into an unknown chapter in history with an absorbing account of this uniquely American battle for justice.

**let it snow history: *Songwriters On Songwriting*** Paul Zollo, 2003-06-19 The classic collection of candid interviews with the greatest songwriters of our time, including Bob Dylan, Brian Wilson, Patti Smith, Paul Simon, Tom Petty, and dozens more This expanded fourth edition of *Songwriters on Songwriting* includes ten new interviews—with Alanis Morissette, Lenny Kravitz, Lou Reed, and others. In these pages, sixty-two of the greatest songwriters of our time go straight to the source of the magic of songwriting by offering their thoughts, feelings, and opinions on their art. Representing almost every genre of popular music, from blues to pop to rock, here are the figures that have shaped American music as we know it.

**let it snow history: *Let It Snow*** Nigel Bird, 2019-11-11 Police Constable Ernie Shavers is murdered while trying to save the life of a suicidal teenager and everyone wants a piece of the killer.

Some are happy to play it by the book, others don't give a damn whether the rules are smashed to pieces. Whether they're playing straight or crooked, they may not have long before the killer strikes again. Unfortunately it's a big city and the current crime wave has thrown them a couple of curve balls to pile on the pressure. At the zoo, a rhino is killed for its horn. With no evidence trail and a broken heart, DS Sue Nolan turns to an old flame, a man who always has his ear to the ground. Gangland boss Johnny Yen is only too happy to help, but only if he can get a little something in return. In the centre of town, the biggest store in the city is robbed by a mannequin. It's the perfect inside job and the owners of the store know exactly which officer they want on the case, only the officer doesn't feel quite the same way. If that wasn't bad enough, record snowfall has created chaos within the police department. It's going to be one hell of a Christmas. Praise for LET IT SNOW: "You'll want to spend time with the characters in this book. They're ordinary people in all their glory and folly. Bird even manages to make one of the most hated characters in fiction (or life—the cop killer—engaging and interesting. Highly recommended, even for those who don't usually dig police procedurals." —Chris Rhatigan, Publisher, All Due Respect Books "Let It Snow is an enjoyable fireside treat, though it certainly isn't sanitised, it's a warming police procedural for any point in the winter." —Mal McEwan, Crime Fiction Lover "Bird manages to create more than enough suspense to keep the reader turning pages to find out what happens." —Charles Salzberg, The Big Thrill Magazine "The tension is well-paced and, as in real life, there's more than one case running together. Police personnel's home lives are part of the problem. I found this a really good read." —Kath Middleton, Ignite

**let it snow history:** *Let It Snow* Beth Moran, 2022-08-30 THE NUMBER ONE BESTSELLER. Curl up with the perfect cosy read and the latest novel by the bestselling author of *Just the Way You Are*. 'Every day is a perfect day to read this.' Shari Low After the end of a long-term relationship, local weather girl Bea Armstrong has been avoiding her family, and their inevitable 'I-told-you-sos.' But with Christmas fast approaching, she is finally on her way home to Charis House, the school in Sherwood Forest that her mum and dad run in their old family home. And to top it all off, the insufferable Henry Fairfax – who her parents have always wanted her to marry – has also been invited. Relief comes in the shape of a last minute interview for her dream job. There are just a few minor problems... The interview is in Scotland, Bea has no car, and the snow is falling already. The only solution is for Henry to drive her – could this Christmas get any worse... But during an unforgettable two day interview, a stay in a log cabin and a nightmare journey through the snow, Henry turns out to be nothing like she thought. And when Bea's first love and recent ex shows up, Bea has a difficult choice to make... Reading Beth Moran's fabulous novels makes every day better. Feelgood, satisfying, with smart characters and gorgeous settings, it's impossible not to fall in love with a Beth Moran story. Perfect for all fans of Jill Mansell, Julie Houston, and Jenny Colgan. \*'Let it Snow is so uplifting. It's cleverly written, witty and smart. A winner!' \*USA Today Bestseller, Judy Leigh Praise for Beth Moran: 'Beth Moran's heartwarming books never fail to leave me feeling uplifted' Jessica Redland 'Life-affirming, joyful and tender.' Zoe Folbigg \* 'Every day is a perfect day to read this.' \*Shari Low 'A British author to watch.' Publisher's Weekly What readers say about Beth Moran: 'I devoured this book in a few days. Wow! This book was such a pleasure to read. I love the way the author has woven all these strands together. A very satisfying ending for us romance fans too. Brilliant read!' 'I love Beth Moran because she writes so honestly about people with real life challenges whilst still weaving a gentle romance. Settle down with a cuppa and enjoy!' 'Oh my what a true delight to read Beth Moran new book. A thoroughly enjoyable read for 2022, full of contemporary issues in a heart warming story of self development and growth. A must read for all singles and everyone that's wanted to change and challenge themselves. Beth Moran has given us a true gem of a book.' 'I love all of her books and am always left feeling so upbeat at the end of them. Looking forward to the next one already'

**let it snow history:** *Stories Behind the Greatest Hits of Christmas* Ace Collins, 2010-10-05 Much like *The Stories Behind The Best-Loved Songs Of Christmas*, *The Stories Behind The Great Traditions of Christmas* and *More Stories Behind The Best Loved Songs of Christmas* this new

**let it snow history: *Let It Snow*** Nancy Thayer, 2020-10-27 COMING SOON AS THE HALLMARK CHRISTMAS MOVIE NANTUCKET NOEL A Nantucket shopkeeper discovers that Christmas is the perfect occasion to make unexpected friendships . . . to warm the coldest of hearts—and maybe even find love. Christina Antonioni is preparing for the holidays at her Nantucket toy shop, unpacking last-minute shipments and decorating for her loyal Christmas shoppers. But when her Scrooge of a landlord, Oscar Bittlesman, raises her rent, it seems nearly impossible for Christina to continue business on the wharf. Even so, Christina hopes there is a warm heart underneath Oscar's steely exterior. When she bonds with Wink, his sweet, young granddaughter who frequents the shop, it becomes clear that perhaps he isn't so cold after all. And with the help of Wink's uncle, who happens to be a charming and very handsome bachelor, this may be the best Christmas any of them could have ever imagined. Nancy Thayer's enchanting Nantucket setting provides the perfect backdrop for this holiday love story.

**let it snow history: *Written in the Snows*** Lowell Skoog, 2021-10-01 Century of Northwest wilderness skiing stories by noted expert 150 black-and-white and color photographs Celebrates the friluftsliv, or open-air living spirit, of backcountry skiing In *Written in the Snows*, renowned local skiing historian Lowell Skoog presents a definitive and visually rich history of the past century of Northwest ski culture, from stirring and colorful stories of wilderness exploration to the evolution of gear and technique. He traces the development of skiing in Washington from the late 1800s to the present, covering the beginnings of ski resorts and competitions, the importance of wild places in the Olympic and Cascade mountains (including Oregon's Mount Hood), and the friluftsliv, or open-air living spirit, of backcountry skiing. Skoog addresses how skiing has been shaped by larger social trends, including immigration, the Great Depression, war, economic growth, conservation, and the media. In turn, Northwest skiers have affected their region in ways that transcend the sport, producing local legends like Milnor Roberts, Olga Bolstad, Hans Otto Giese, Bill Maxwell, and more. While weaving his own impressions and experiences into the larger history, Skoog shows that skiing is far more than mere sport or recreation.

**let it snow history: *Let it Snow*** Daisy Landish, 2024-11-10 Grab a cup of hot chocolate and settle in for *Let it Snow: Cozy Mysteries for Winter Injured on New Year's* A Jane and Kennedy Daniels Mystery While in the hospital for a broken leg, Jane overhears a scuffle in the room next to her late at night. When she asks the nurse about it the next day, she's told that nothing happened. A little digging, with her wife Kennedy and their trusty Detective friend Arthur's help, leads to an unidentified corpse in the morgue. Who's the victim? How did they die? Were they murdered? Why?

**let it snow history: Let It Snow** Sue Moorcroft, 2019-09-26 This Christmas, the villagers of Middledip are off on a very Swiss adventure...

**let it snow history: The Story of Snow** Mark Cassino, Jon Nelson, 2011-10-21 Breathtaking photography and fascinating facts about snow crystals "will instill appreciation for these tiny, cool objects" in both children and adults (The Washington Post). How do snow crystals form? What shapes can they take? Is it true that there are no two snow crystals alike? These questions and more are answered in this visually stunning exploration of the science of snow. Perfect for reading on winter days, the book features photos of real snow crystals in all their beautiful diversity. Snowflake-catching instructions are also included! "Settle down in a comfy chair. . . . By the end, you'll be hoping there's a day when you can follow the careful directions for catching and viewing snow crystals." —Chicago Tribune "The clear and direct narrative takes readers into the clouds to explain snow-crystal formation...and then zooms in on the actual crystals. Sure to get young scientists outside in the cold." —Kirkus Reviews "Nature photographer Cassino's gallery of snow crystals is [a] riveting exhibition." —Bulletin of the Center for Children's Books (starred review)

**let it snow history: Let It Snow** Fern Michaels, Virginia Henley, Holly Chamberlin, Marcia Evanick, 2003 This heartwarming collection of Christmas stories proves that anything can happen during the holiday--especially love. Features tales by Fern Michaels, Virginia Henley, Holly Chamberlain, and Marcia Evanick. Original.

**let it snow history: Stories Behind the Greatest Hits of Christmas** Ace Collins, 2010 Collins reveals the stories behind the greatest hits of Christmas--songs enjoyed for generations. Stories Behind the Greatest Hits of Christmas is a treasure-trove of inspiration, information, and the kind of magic that makes Christmas the beloved holiday it is.

**let it snow history: Snow Falling on Cedars** David Guterson, 1994 A powerful tale of the Pacific Northwest in the 1950s, reminiscent of To Kill a Mockingbird. Courtroom drama, love story, and war novel, this is the epic tale of a young Japanese-American and the man on trial for killing the man she loves.

**let it snow history: The History of the Snowman** Bob Eckstein, 2007-10-30 Who made the first snowman? Who first came up with the idea of placing snowballs on top of each other, and who decided they would use a carrot for a nose? Most puzzling of all: How can this mystery ever be solved, with all the evidence long since melted? The snowman appears everywhere on practically everything -- from knickknacks to greeting cards to seasonal sweaters we plan to return. Whenever we see big snowballs our first impulse is to deck them out with a top hat. Humorist and writer Bob Eckstein has long been fascinated by this ubiquitous symbol of wintertime fun -- and finally, for the first time, one of the world's most popular icons gets his due. A thoroughly entertaining exploration, The History of the Snowman travels back in time to shed light on the snowman's enigmatic past --

from the present day, in which the snowman reigns as the King of Kitsch, to the Dark Ages, with the creation of the very first snowman. Eckstein's curiosity began playfully enough, but soon snowballed into a (mostly) earnest quest of chasing Frosty around the world, into museums and libraries, and seeking out the advice of leading historians and scholars. The result is a riveting history that reaches back through centuries and across cultures -- sweeping from fifteenth-century Italian snowballs to eighteenth-century Russian ice sculptures to the regrettable white-trash years (1975-2000). The snowman is not just part of our childhood memories, but is an integral part of our world culture, appearing -- much like a frozen Forrest Gump -- alongside dignitaries and celebrities during momentous events. Again and again, the snowman pops up in rare prints, paintings, early movies, advertising and, over the past century, in every art form imaginable. And the jolly snowman -- ostensibly as pure as the driven snow -- also harbors a dark past full of political intrigue, sex, and violence. With more than two hundred illustrations and a special section of the best snowman cartoons, *The History of the Snowman* is a truly original winter classic -- smart, surprisingly enlightening, and quite simply the coolest book ever.

**let it snow history:** *Let It Snow...* Leslie Kelly, Jennifer Labrecque, 2012-11-13 Put some heat in your holidays with these scorchin'-hot fairy tales from bestselling authors Leslie Kelly and Jennifer LaBrecque *The Prince Who Stole Christmas* by Leslie Kelly Between her ne'er-do-well brother and her candy shop, Claire Hoffman has her hands full. The world's last free nation has fallen. And behind enemy lines, Talin stands alone. With her friends scattered by combat and her mother held captive, Talin has no choice but to submit to the Federation's experiments and become their most deadly war machine—a Skyhunter. But Red hasn't

given up on Talin. Though the link between them is weak, it could be enough. To find their way back to each other. To reunite the Strikers. To fight back against the Federation, against all odds, against all hope. Because the battle has only just begun.

**let it snow history:** *Waiting for Snow in Havana* Carlos Eire, 2004-01-13 A survivor of the Cuban Revolution recounts his pre-war childhood as the religiously devout son of a judge, and describes the conflict's violent and irrevocable impact on his friends, family, and native home.

**let it snow history: When Will it Snow?** Kathryn Ivy White, 2012 When Little Bear's mother begins to prepare him for winter hibernation, he is sad because he will miss playing with his friends in the snow.

**let it snow history:** *The Snow Child* Eowyn Ivey, 2012-02-01 In this magical debut, a couple's lives are changed forever by the arrival of a little girl, wild and secretive, on their snowy doorstep. Alaska, 1920: a brutal place to homestead, and especially tough for recent arrivals Jack and Mabel. Childless, they are drifting apart -- he breaking under the weight of the work of the farm; she crumbling from loneliness and despair. In a moment of levity during the season's first snowfall, they build a child out of snow. The next morning the snow child is gone -- but they glimpse a young, blonde-haired girl running through the trees. This little girl, who calls herself Faina, seems to be a child of the woods. She hunts with a red fox at her side, skims lightly across the snow, and somehow survives alone in the Alaskan wilderness. As Jack and Mabel struggle to understand this child who could have stepped from the pages of a fairy tale, they come to love her as their own daughter. But in this beautiful, violent place things are rarely as they appear, and what they eventually learn about Faina will transform all of them.

**let it snow history:** *Neither Snow Nor Rain* Devin Leonard, 2016-05-03 “[The] book makes you care what happens to its main protagonist, the U.S. Postal Service itself. And, as such, it leaves you at the end in suspense.” —USA Today Founded by Benjamin Franklin, the United States Postal Service was the information network that bound far-flung Americans together, and yet, it is slowly vanishing. Critics say it is slow and archaic. Mail volume is down. The workforce is shrinking. Post offices are closing. In *Neither Snow Nor Rain*, journalist Devin Leonard tackles the fascinating, centuries-long history of the USPS, from the first letter carriers through Franklin’s days, when postmasters worked out of their homes and post roads cut new paths through the wilderness. Under Andrew Jackson, the post office was molded into a vast patronage machine, and by the 1870s, over seventy percent of federal employees were postal workers. As the country boomed, USPS aggressively developed new technology, from mobile post offices on railroads and airmail service to mechanical sorting machines and optical character readers. *Neither Snow Nor Rain* is a rich, multifaceted history, full of remarkable characters, from the stamp-collecting FDR, to the revolutionaries who challenged USPS’s monopoly on mail, to the renegade union members who brought the system—and the country—to a halt in the 1970s. “Delectably readable . . . Leonard’s account offers surprises on almost every other page . . . [and] delivers both the triumphs and travails with clarity, wit and heart.” —Chicago Tribune

**let it snow history: It's Snowing!** Gail Gibbons, 2012-06 Small, soft flakes fall quietly from above. It's snowing! People like to sled and ski in it, but what exactly is snow? How does it form? Included in this crystal clear introduction to one of winter's wonders is information about different types of snowstorms, regions where snow falls, and how to prepare when a snowstorm approaches.

**let it snow history:** *Snow* Giles Whittell, 2019-11-19 Brimming with interesting facts and surprising anecdotes, this scientific and cultural history opens our eyes to the wonders of one of nature’s most delicate, delightful, and deadly phenomena: SNOW! Perfect for fans of *The Hidden Life of Trees* and *Rain*. Go on an extraordinary journey across centuries and continents to experience the wonders of snow; from the prehistoric humans that trekked and even skied across it tens of thousands of years ago to the multi-billion-dollar industry behind our moving, making, and playing with snow. Blending accessible writing with fascinating science, Giles Whittell explores how snow

dictates where we live, provides us with drinking water, and has influenced countless works of art and more. Whittell also uncovers compelling mysteries of this miraculous substance, such as why avalanches happen, how snow saved a British prime minister's life, where the legend of the yeti comes from, and the terrifying truth behind the opening ceremony of the 1960 winter Olympics. Filled with in-depth research and whip-smart prose, *Snow* is an eye-opening and charming book that illuminates one of the most magnificent wonders of nature.

**let it snow history: *Snow Treasure*** Marie McSwigan, 1958 Grade Level 5.5, Book# 85, Points 4.

**let it snow history: *The Winter of Red Snow*** Kristiana Gregory, 2010 Eleven-year-old Abigail presents a diary account of life in Valley Forge from December 1777 to July 1778 as General Washington prepares his troops to fight the British.

**let it snow history: *Girls Made of Snow and Glass*** Melissa Bashardoust, 2018-12-31 Melissa Bashardoust's acclaimed debut novel *Girls Made of Snow and Glass* is "Snow White as it's never been told before...a feminist fantasy fairy tale not to be missed" (BookPage)! "Utterly superb." —ALA Booklist, starred review "Dark, fantastical, hauntingly evocative." —Kirkus Reviews, starred review "An empowering and progressive original retelling." —SLJ, starred review Sixteen-year-old Mina is motherless, her magician father is vicious, and her silent heart has never beat with love for anyone—has never beat at all, in fact, but she'd always thought that fact normal. She never guessed that her father cut out her heart and replaced it with one of glass. When she moves to Whitespring Castle and sees its king for the first time, Mina forms a plan: win the king's heart with her beauty, become queen, and finally know love. The only catch is that she'll have to become a stepmother. Fifteen-year-old Lynet looks just like her late mother, and one day she discovers why: a magician created her out of snow in the dead queen's image, at her father's order. But despite being the dead queen made flesh, Lynet would rather be like her fierce and regal stepmother, Mina. She gets her wish when her father makes Lynet queen of the southern territories, displacing Mina. Now Mina is starting to look at Lynet with something like hatred, and Lynet must decide what to do—and who to be—to win back the only mother she's ever known...or else defeat her once and for all. Entwining the stories of both Lynet and Mina in the past and present, *Girls Made of Snow and Glass* traces the relationship of two young women doomed to be rivals from the start. Only one can win all, while the other must lose everything—unless both can find a way to reshape themselves and their story.

**let it snow history: *The Girls of Atomic City*** Denise Kiernan, 2014-03-11 This is the story of the young women of Oak Ridge, Tennessee, who unwittingly played a crucial role in one of the most significant moments in U.S. history. The Tennessee town of Oak Ridge was created from scratch in 1942. One of the Manhattan Project's secret cities. All knew something big was happening at Oak Ridge, but few could piece together the true nature of their work until the bomb Little Boy was dropped over Hiroshima, Japan, and the secret was out. The reverberations from their work there, work they did not fully understand at the time, are still being felt today.

**let it snow history: *Toot & Puddle: Let It Snow*** Holly Hobbie, 2007-10-01 Celebrate the last book in the beloved series with a Christmas story about the gift of friendship and free limited edition Christmas ornaments. With a nod to previous books in the *Toot & Puddle* series, Holly Hobbie, shows readers that the best kind of present for the best kind of friend is one that shows just how much you care.

**let it snow history: *Don't Let it Snow in Deadwood*** Ann Charles, 2018-11-09 It's Christmas Eve and Violet Parker has one request on her list for Santa—to make it home to her kids. Unfortunately, "home" is also the lair of her life-long nemesis, her sister Susan (aka the devil's concubine). Standing in Violet's way is Old Man Winter, who slammed the Black Hills with a show-stopping blizzard. However, a little snow isn't going to ground her sleigh, not with family counting on her to deliver Santa's goods. Trying to keep Christmas from turning into a candy cane calamity, Violet battles her demons and struggles through the chaos storming around her. Can she make it through the holiday without cracking anyone's nut? Keep your fingers crossed this whole holiday doesn't blow up in our faces. --Violet Parker

**let it snow history:** *The Ocean Calls* Tina Cho, 2020-08-04 A breathtaking picture book featuring a Korean girl and her haenyeo (free diving) grandmother about intergenerational bonds, finding courage in the face of fear, and connecting with our natural world. Dayeon wants to be a haenyeo just like Grandma. The haenyeo dive off the coast of Jeju Island to pluck treasures from the sea--generations of Korean women have done so for centuries. To Dayeon, the haenyeo are as strong and graceful as mermaids. To give her strength, Dayeon eats Grandma's abalone porridge. She practices holding her breath while they do the dishes. And when Grandma suits up for her next dive, Dayeon grabs her suit, flippers, and goggles. A scary memory of the sea keeps Dayeon clinging to the shore, but with Grandma's guidance, Dayeon comes to appreciate the ocean's many gifts. Tina Cho's *The Ocean Calls*, with luminous illustrations by muralist Jess X. Snow, is a classic in the making.

**let it snow history:** *Miracle Moments in Kansas City Royals History* Jeff Deters, 2017-07-18 Since their founding in 1969, the Kansas City Royals have provided memorable moments to generations of fans in America's heartland and beyond. *Miracle Moments in Kansas City Royals History* is the ultimate tribute book for die-hard fans of the team from the City of Fountains. Jeff Deters recounts the most memorable moments in Royals history, including: Steve Busby's throwing two no-hitters in each of his first two season, a first for a big-leaguer; George Brett's hitting .333 to win his first batting title while leading the Royals to the AL West championship in 1976; Brett's second batting title in 1980 as he just misses batting .400 for the season; Dick Howser's firing by the Yankees and revenge five years later as he manages the Royals to a championship in 1985; Bo Jackson's electrifying but brief career as a Royal while starring for the Los Angeles Raiders; The Royals' sweep of the Orioles in the 2014 ALCS to return to the World Series in 29 years; The magnificent 2015 season capped by a World Championship. *Miracle Moments in Kansas City Royals History* is much more than just a comprehensive resource. It recounts the hidden stories behind one of the most successful franchises in baseball..
