## **17 Day Diet Food List: Your Guide to Delicious and Effective Eating**

Ready to jumpstart your weight loss journey? The 17 Day Diet has gained popularity for its structured approach and emphasis on whole foods. But navigating the food choices can feel overwhelming. This comprehensive guide provides you with a detailed 17 day diet food list, offering delicious and satisfying meal ideas for each phase. We'll break down the diet's principles, provide sample menus, and answer common questions to help you succeed. Let's dive in!

### **Understanding the 17 Day Diet Phases**

The 17 Day Diet isn't just a simple diet; it's a cyclical approach designed to keep your metabolism guessing and prevent plateaus. It consists of four phases, each lasting a specific number of days, with distinct food focuses:

#### **#### Phase 1: The Intensive 7-Day Jump Start (Days 1-7)**

This phase is all about rapid weight loss. It's the most restrictive, focusing on lean protein, plenty of non-starchy vegetables, and limited carbohydrates. The goal is to kickstart your weight loss and build momentum.

Focus: Lean protein (chicken breast, fish, turkey), non-starchy vegetables (broccoli, spinach, cauliflower, asparagus), healthy fats (avocado, olive oil, nuts – in moderation). Limit fruits and carbohydrates significantly.

#### **#### Phase 2: The Transition Phase (Days 8-11)**

Here, you gradually reintroduce more carbohydrates and healthy fats, allowing your body to adapt. This phase helps prevent the metabolic slowdown often seen with rapid weight loss.

Focus: Continue with lean protein and non-starchy vegetables. Gradually introduce healthy carbohydrates like whole grains (quinoa, brown rice – in moderation), and fruits (berries are ideal). Maintain healthy fat intake.

#### **#### Phase 3: The Consolidation Phase (Days 12-15)**

This phase is all about solidifying your progress and building sustainable habits. You'll continue to incorporate a balanced intake of protein, carbohydrates, and healthy fats.

Focus: Maintain a balance of lean proteins, complex carbohydrates (whole grains, sweet potatoes), and healthy fats. Continue enjoying a variety of fruits and vegetables.

#### #### Phase 4: The Active Metabolic Boost (Days 16-17)

The final two days are designed to further boost your metabolism and reinforce your commitment to healthy eating. This phase often includes high-intensity workouts to further enhance results.

Focus: Similar to Phase 3, maintaining a balanced diet. Focus on hydration and incorporate high-intensity interval training (HIIT) workouts.

### **Sample 17 Day Diet Food List: A Daily Breakdown**

Remember, this is just a sample. Adjust portions based on your individual caloric needs and preferences. Consult a nutritionist or healthcare professional for personalized guidance.

Day 1 (Phase 1): Breakfast: Scrambled eggs with spinach; Lunch: Grilled chicken salad with mixed greens and a light vinaigrette; Dinner: Baked salmon with roasted asparagus.

Day 4 (Phase 1): Breakfast: Greek yogurt with berries (limited portion); Lunch: Turkey breast lettuce wraps; Dinner: Chicken stir-fry with lots of broccoli and minimal brown rice.

Day 8 (Phase 2): Breakfast: Oatmeal with berries and a sprinkle of nuts; Lunch: Quinoa salad with grilled chicken or chickpeas; Dinner: Lean ground beef with sweet potato.

Day 12 (Phase 3): Breakfast: Whole-wheat toast with avocado; Lunch: Leftover chicken and sweet potato from dinner; Dinner: Baked chicken breast with brown rice and steamed green beans.

Day 16 (Phase 4): Breakfast: Smoothie with protein powder, spinach, and berries; Lunch: Large salad with grilled fish; Dinner: Chicken breast with roasted vegetables.

### **Tips for Success on the 17 Day Diet**

Hydration is key: Drink plenty of water throughout the day.

Prioritize whole, unprocessed foods: Minimize processed foods, sugary drinks, and unhealthy fats.

Listen to your body: Pay attention to hunger and fullness cues.

Don't skip meals: Eating regularly helps regulate your blood sugar and metabolism.

Make it sustainable: The 17 Day Diet is a jumpstart; aim to maintain healthy eating habits long-term.

### **Beyond the Initial 17 Days: Maintaining Your Results**

The 17-day plan is a stepping stone. After completing the cycle, focus on incorporating the principles you've learned into your long-term lifestyle. Continue to prioritize whole foods, manage your portion

sizes, and maintain a regular exercise routine. Consider repeating the cycle after a break, but always consult your doctor before making significant dietary changes.

## Conclusion:

The 17 Day Diet offers a structured approach to weight loss, emphasizing whole foods and a cyclical approach to metabolism boosting. By understanding the principles of each phase and utilizing the sample food list provided, you can embark on your weight loss journey with confidence. Remember to listen to your body, stay hydrated, and maintain a focus on sustainable healthy habits for long-term success.

## FAQs:

1. Can I modify the 17 Day Diet food list to suit my allergies or dietary restrictions? Yes, absolutely. Adjust the meal plan to accommodate your individual needs, ensuring you maintain a balanced intake of nutrients. Consulting a registered dietitian or nutritionist is highly recommended.
2. Is exercise required for the 17 Day Diet? While not mandatory, incorporating regular exercise will significantly enhance your results and overall well-being. Aim for at least 30 minutes of moderate-intensity exercise most days of the week.
3. What if I slip up and eat something "off-plan"? Don't beat yourself up! Just get back on track with your next meal. One slip-up doesn't derail your progress.
4. Is the 17 Day Diet suitable for everyone? It's crucial to consult your doctor or a registered dietitian before starting any new diet, particularly if you have underlying health conditions.
5. Can I repeat the 17-day cycle multiple times? While you can repeat the cycle, it's advisable to take breaks in between. Your body needs time to adapt, and continuous restrictive dieting can be counterproductive. Consult a healthcare professional for guidance.

**17 day diet food list: The 17 Day Diet** Dr Mike Moreno, 2011-05-12 Dr Mike Moreno's 17 Day Diet is a revolutionary new weight-loss programme that activates your skinny gene so that you burn fat day in and day out. The diet is structured around four 17-day cycles: Accelerate- the rapid weight loss portion that helps flush sugar and fat storage from your system; Activate-the metabolic restart portion with alternating low and high calorie days to help shed body fat; Achieve - this phase is about learning to control portions and introducing new fitness routines; Arrive - A combination of the first three cycles to keep good habits up for good. Each cycle changes your calorie count and the food that you're eating. The variation that Dr. Mike calls 'body confusion' is designed to keep your metabolism guessing. This is not a diet that relies on a tiny list of approved foods, gruelling exercise routines, or unrealistic calorie counts that leave you hungry and unfulfilled. Each phase comes with extensive lists of what dieters can and can't eat while on the phase, but also offers acceptable cheats. He advises readers not to drink while on the diet, but concedes that if they absolutely have to then they should at least drink red wine. Dr Mike knows that a diet can only work if it's compatible with the real world, and so he's designed the programme with usability as a top priority.

**17 day diet food list: The 17 Day Kickstart Diet** Mike Moreno, 2021-12-28 The New York Times bestselling author of the revolutionary The 17 Day Diet returns with a three-step weight loss program that promotes a plant-forward lifestyle and other accessible strategies for making healthy

decisions automatically for life. Since the success of The 17 Day Diet, Dr. Mike Moreno had been the paragon of good health. But after a series of dramatic setbacks, including a divorce, the death of two loved ones, and a painful diagnosis, his emotional health suffered and his physical health began to deteriorate as a result. But following a drastic wake-up call, Dr. Mike got himself back on track and now, he's revealing the easy-to-use program that helped him reclaim his health, despite his circumstances. Featuring delicious recipes, simple meal-planning techniques, manageable movement strategies, and supportive wellness rituals, The 17 Day Kickstart Diet is a clear-cut guide that proves it is never too late to achieve optimal health. Even in the middle of the chaos that life can sometimes dish up, you can still prioritize your wellness with the right plan. Within seventeen days, you will start losing weight, reducing inflammation, and experiencing new levels of energy and focus. As Dr. Moreno says, "I love when people pick up the tools they've been given and use them to create change in their lives. Now it's your turn." Designed around three crucial phases that can help reduce your toxic load while inspiring you like never before, this book can be your new playbook for becoming a healthier version of you.

**17 day diet food list: The 17 Day Diet Cookbook** Mike Moreno, 2012-03-27 Based on the New York Times bestselling book and revolutionary diet program that has swept the nation, a collection of easy, delicious, and healthy recipes that will help readers lose weight fast, and keep it off. The #1 bestselling 17 Day Diet offers a lifetime plan for shedding pounds fast in a safe and lasting way. Now, The 17 Day Diet Cookbook is here to help you meet your weight loss goals in a healthy and delicious way. Packed with brand-new recipes, The 17 Day Diet Cookbook offers an easy way to prepare healthy meals at home that will appeal to the whole family. Organized to help you follow the diet's 17-day cycles, the cookbook contains easy recipes for breakfasts, lunches, dinners, snacks, and desserts. Designed for the busy home cook, these nutritious and tasty dishes take about half an hour of active preparation and do not taste like diet food. You will be able to craft great meals that will satisfy everyone you're feeding while helping you reach your weight loss goals.

**17 day diet food list: The 17 Day Diet Workbook** Dr Mike Moreno, 2011-08-04 The 17 Day Diet offers readers a plan that will help them change their eating habits, their health and their life. Now, The 17 Day Diet Workbook provides a more structured dieting experience for readers who want extra guidance and direction. The workbook will open with a brief overview of the 17 Day Diet plan and philosophy, and will outline for readers how to use the workbook to get the most out of it. The book then provides readers with daily planning tools for the 4x17 day cycles of the diet. Every day will have a unique food chart, shopping lists, 17-minute workout, tips from Dr Mike, space for dieters to track their food and water intake, and a notes section to keep track of personal progress. Each section will also talk about common barriers that dieters might experience in the different cycles, and offer suggestions for how to keep the diet on track including food tracking and maintenance journaling.

**17 day diet food list: The Microbiome Diet** Raphael Kellman, 2014-07-01 First diet book connecting the microbiome with healthy weight loss; featuring an easy wellness program with a 3-phase diet.

**17 day diet food list: The South Beach Diet Cookbook** Arthur Agatston, 2004-04-13 A companion to The South Beach Diet presents more than two hundred recipes that demonstrate how to eat healthfully without compromising taste, outlining the diet's basic philosophies and sharing personal success stories.

**17 day diet food list: The Body Reset Diet** Harley Pasternak, 2014-03-04 Get healthy in just 15 days with this diet plan from the celebrity trainer and New York Times bestselling author frequently featured on Khloé Kardashian's *Revenge Body*. We've gone way overboard trying to beat the bulge. We've tried every diet out there—low-carb, low-fat, all-grapefruit—and spent hours toiling on treadmills and machines, to no avail. It's time to hit the reset button and start over with a new perspective on weight loss. In The Body Reset Diet, celebrity trainer and New York Times bestselling author Harley Pasternak offers you the ultimate plan for a thinner, healthier, happier life. This three-phase program focuses on the easiest, most effective way to slim down: blending. The 5-day

jump-start includes delicious, expertly crafted smoothies (White Peach Ginger, Apple Pie, and Pina Colada, to name a few), dips, snacks, and soups that keep you satisfied while boosting your metabolism. Over the following 10 days, the plan reintroduces healthy combinations of classic dishes along with the blended recipes to keep the metabolism humming, so you will continue to torch calories and shed pounds. The plan also explains how the easiest form of exercise—walking—along with light resistance training is all it takes to achieve the celebrity-worthy physique that we all desire. No equipment necessary! Whether you are looking to lose significant weight or just those last 5 pounds, The Body Reset Diet offers a proven program to reset, slim down, and get healthy in just 15 days—and stay that way for good!

**17 day diet food list: The 4 Day Diet** Ian K. Smith, M.D., 2010-04-01 Dr. Ian demands big results from his diet plans: whether on VH1's Celebrity Fit Club, State Farm's 50 Million Pound Challenge or his numerous inspirational appearances across the country, his advice has helped countless numbers of dieters lose millions of pounds. With over twenty years of experience watching how and why dieters lose weight—and how they don't—Dr. Ian developed a program that actually retrains the brain to diet naturally. In The 4 Day Diet, Dr. Ian distills that program into the acronym SMARTER: --Sense of where you are: don't fool yourself about your habits and what kind of shape you're in --Make realistic goals: don't sabotage your success by trying to do too much too fast --Activate your motivational engine: learn how to be your own best diet coach --Resist temptation: how to put yourself in an environment that supports your diet and keeps you disciplined --Think thin: why visualization works --Every bite counts: track your intake, but learn how to enjoy what you eat more at the same time --Reward yourself: indulge yourself in small and big ways along the road to permanent weight loss

**17 day diet food list: Two Meals a Day** Mark Sisson, Brad Kearns, 2021-03-09 The New York Times bestselling author of The Primal Blueprint and The Keto Reset Diet, Mark Sisson, turns his health and fitness expertise to the latest diet trend, which he has coined, “intermittent eating!” Are you sick and tired of struggling through regimented diets that work for a minute and then become unsustainable? Are you confused about the changing fads and ongoing controversy over what’s healthy and what’s not? It’s time to embrace a simple, scientifically validated plan that transcends gimmicks and avoids the stress of regimented macros and mealtimes. Health and fitness expert Mark Sisson presents a comprehensive lifestyle approach based on the principles of intermittent fasting. He’ll teach you how to gracefully burn body fat while keeping your energy, focus, and positive attitude. In TWO MEALS A DAY, you’ll implement an eating style that’s incredibly nourishing and easy to adhere to for a lifetime, dial-in a winning fitness routine, prioritize recovery, and learn powerful strategies for overcoming self-limiting beliefs and behaviors. When you’re ready to level up, you’ll implement some cutting-edge techniques to achieve stunning body composition breakthroughs. Packed with forty-two delicious meals in a variety of categories, TWO MEALS A DAY has everything you need to hit the ground running and pursue enjoyable and lasting lifestyle transformation.

**17 day diet food list: The 17-Day Green Tea Diet** The Editors of Eat This, 2018-07-17 Lose up to 14 lbs.--from your belly first!--Cover.

**17 day diet food list: Carnivore Diet** Shawn Baker, 2019-11-19 Shawn Baker’s Carnivore Diet is a revolutionary, paradigm-breaking nutritional strategy that takes contemporary dietary theory and dumps it on its head. It breaks just about all the “rules” and delivers outstanding results. At its heart is a focus on simplicity rather than complexity, subtraction rather than addition, making this an incredibly effective diet that is also easy to follow. Carnivore Diet reviews some of the supporting evolutionary, historical, and nutritional science that gives us clues as to why so many people are having great success with this meat-focused way of eating. It highlights dramatic real-world transformations experienced by people of all types. Common disease conditions that are often thought to be lifelong and progressive are often reversed on this diet, and in this book, Baker discusses some of the theory behind that phenomenon as well. It outlines a comprehensive strategy for incorporating the Carnivore Diet as a tool or a lifelong eating style, and Baker offers a thorough

discussion of the most common misconceptions about this diet and the problems people have when transitioning to it.

**17 day diet food list:** *The 4-Hour Body* Timothy Ferriss, 2010-12-14 #1 NEW YORK TIMES BESTSELLER • The game-changing author of *The 4-Hour Workweek* teaches you how to reach your peak physical potential with minimum effort. “A practical crash course in how to reinvent yourself.”—Kevin Kelly, *Wired* Is it possible to reach your genetic potential in 6 months? Sleep 2 hours per day and perform better than on 8 hours? Lose more fat than a marathoner by bingeing? Indeed, and much more. *The 4-Hour Body* is the result of an obsessive quest, spanning more than a decade, to hack the human body using data science. It contains the collective wisdom of hundreds of elite athletes, dozens of MDs, and thousands of hours of jaw-dropping personal experimentation. From Olympic training centers to black-market laboratories, from Silicon Valley to South Africa, Tim Ferriss fixated on one life-changing question: For all things physical, what are the tiniest changes that produce the biggest results? Thousands of tests later, this book contains the answers for both men and women. It’s the wisdom Tim used to gain 34 pounds of muscle in 28 days, without steroids, and in four hours of total gym time. From the gym to the bedroom, it’s all here, and it all works. You will learn (in less than 30 minutes each): • How to lose those last 5-10 pounds (or 100+ pounds) with odd combinations of food and safe chemical cocktails • How to prevent fat gain while bingeing over the weekend or the holidays • How to sleep 2 hours per day and feel fully rested • How to produce 15-minute female orgasms • How to triple testosterone and double sperm count • How to go from running 5 kilometers to 50 kilometers in 12 weeks • How to reverse “permanent” injuries • How to pay for a beach vacation with one hospital visit And that's just the tip of the iceberg. There are more than 50 topics covered, all with real-world experiments, many including more than 200 test subjects. You don't need better genetics or more exercise. You need immediate results that compel you to continue. That’s exactly what *The 4-Hour Body* delivers.

**17 day diet food list:** *The Pound a Day Diet* Rocco DiSpirito, 2014-01-07 *The Pound a Day Diet* is an accelerated program designed to help dieters lose up to five pounds every five days-- without frustrating plateaus-- while enjoying all their favorite foods. It rewrites every carb/fat/calorie rule in the book! This delicious, easy-to-use, plan is specifically formulated as a Mediterranean-style diet that is carb and calorie corrected to turbocharge metabolism and weight loss. Complete with menus for 28 days (four five-day plans and four weekend plans), dieters first follow the five-day plan, switch over to the weekend plan, return to the five-day plan for the second week, and continue with the weekend plan-alternating like this right down to their goal weight. To help readers, Rocco has created 50 all-new lightning-quick 5 ingredient recipes, as well as ready-made suggestions for those who simply cannot find the time to cook; a primer on healthy and fast cooking techniques; calorie-calibrated menus and shopping lists; and a lifestyle plan for maintaining a lean, healthy body for life.

**17 day diet food list:** *The Virgin Diet* JJ Virgin, 2012-12-01 Your fat is not your fault. Are you eating all the right things—low-fat yogurt, egg-white omelets, whole-grain bread, even tofu—but still can't lose the weight? Your favorite diet foods may be to blame. In this groundbreaking program, nutrition and fitness expert JJ Virgin reveals the real secret behind weight gain—food intolerance. A negative reaction to certain foods like dairy or gluten can sabotage your health by triggering inflammation and causing a host of nasty symptoms like bloating, breakouts, headaches, achy joints and—worst of all—stubborn weight gain. On *The Virgin Diet*, you'll eat plenty of anti-inflammatory, healing foods to reclaim your health and reset your metabolism, while avoiding the 7 foods that are most likely to cause food intolerance. You'll never feel hungry or deprived, and in just one week, you'll drop up to 7 pounds, lose belly bloat, gain energy, clear up inflammation and look and feel years younger. And that's just the beginning!

**17 day diet food list:** *The Digest Diet* Liz Vaccariello, 2012-09-27 *The Digest Diet* is a 21-day weight-loss plan based on groundbreaking science and newly discovered foods and habits that help your body to release fat. Reader’s Digest sifted through all the weight-loss science to pick the foods, recipes, and habits that truly slim you down quickly and safely. We reviewed cutting-edge nutrition

advances and myth-busting articles. We discovered some new reasons fat creeps on—and reliable ways to get it to fade away quickly. The Digest Diet targets surprising fat increasers in three key areas—eating, environment and exercise—and gives you the tools you need to turn the tables and shift your body into fat release mode. The eating plan is organized in three basic stages: Fast Release, Fade Away, and Finish Strong. Every phase loads you up on fat releasers. But the calorie and macronutrient ratios shift in each so as to maximize fat release—and results! Fast Release (12-minute exercise routine) is a four-day fat releasing jump start. The Fat-Release Workout combines both strength training and HIIT (high intensity interval training) into a 12-minute workout that's amazingly effective for fat burn and muscle growth. Fade Away transitions you into lean proteins and micronutrient-rich greens. For this 10-day stretch, you continue to have a shake a day, but the lean-and-green focus gives your body what it needs to help you release fat and build muscle, while lowering your intake of carbohydrates for faster fat fade. Finish Strong is the last week of the plan. The meals and recipes show you how to enjoy a balanced, healthy, wholefoods diet rich in fat releasers. The Digest Diet provides a list of 13 fat releasers, which include Vitamin C, Calcium, Protein and Coconut Oil, as well as an easy cheat sheet of fat releasing foods that can be eaten during the diet, such as broccoli, grapefruit, mozzarella cheese, almonds, fish, beef, red wine, dark chocolate and avocados, to name a few. Inside the Digest Diet, you will also find a 21 day meal-plan, 50 fat releasing recipes with full color photos, a 12 minute fat release workout, a fat release workout calendar, before and after success stories, "laugh it off" sidebars to help keep perspective and sanity, and a free online destination for tips, videos, shopping lists and daily food and exercise journals to help make your weight loss goals easy and achievable. [www.digestdiet.com](http://www.digestdiet.com) To prove the 21-day eating plan truly works, we put a dozen men and women on the diet—and their results will astound and inspire you. Our top tester lost 26 pounds in 3 weeks!

**17 day diet food list:** Eat to Live Joel Fuhrman, 2011-01-05 Hailed a medical breakthrough by Dr. Mehmet Oz, Eat to Live offers a highly effective, scientifically proven way to lose weight quickly. The key to Dr. Joel Fuhrman's revolutionary six-week plan is simple: health = nutrients / calories. When the ratio of nutrients to calories in the food you eat is high, you lose weight. The more nutrient-dense food you eat, the less you crave fat, sweets, and high-caloric foods. Eat to Live has been revised to include inspiring success stories from people who have used the program to lose shockingly large amounts of weight and recover from life-threatening illnesses; Dr. Fuhrman's nutrient density index; up-to-date scientific research supporting the principles behind Dr. Fuhrman's plan; new recipes and meal ideas; and much more. This easy-to-follow, nutritionally sound diet can help anyone shed pounds quickly-and keep them off. Dr. Fuhrman's formula is simple, safe, and solid. --Body and Soul

**17 day diet food list:** The Doctor's Diet Travis Stork, 2016-07-05 The Doctor's Diet is way more than just an eating plan: It's a blueprint for a longer, healthier, happier life! The Doctor's Diet is the solution to unhealthy eating, an American epidemic with a death toll higher than that of car accidents, drug abuse, smoking, and gun violence combined. Here, Dr. Stork offers a flexible and workable diet plan that addresses this health crisis by helping you lose weight, restore your health, and ultimately add years to your life. Because Dr. Stork understands the urgency of this weight crisis, he created a simple 14-day jump-start STAT plan so that you can begin losing weight right away. Readers will be inspired by Dr. Stork's encouragement, and will establish healthy new eating habits with great-tasting meals, easy-to-follow recipes, and enough flexibility that anyone can follow along, from vegetarians to meat-eaters and everyone in between! This is a diet that can work for you.

**17 day diet food list:** Bright Line Eating Susan Peirce Thompson, PHD, 2021-01-05 A NEW YORK TIMES BESTSELLER Foreword by John Robbins, author of the international bestseller Diet for A New America In this book, Susan Peirce Thompson, Ph.D. shares the groundbreaking weight-loss solution based on her highly acclaimed Bright Line Eating Boot Camps. Rooted in cutting-edge neuroscience, psychology, and biology, Bright Line Eating explains why people who are desperate to lose weight fail again and again: it's because the brain blocks weight loss. Bright Line

Eating (BLE) is a simple approach designed to reverse that process. By working with four Bright Lines—clear, unambiguous, boundaries—Susan Peirce Thompson shows us how to heal our brain and shift it into a mode where it is ready to shed pounds, release cravings, and stop sabotaging our weight loss goals. Best of all, it is a program that understands that willpower cannot be relied on, and sets us up to be successful anyway. Through the lens of Susan's own moving story, and those of her Bright Lifers, you'll discover firsthand why traditional diet and exercise plans have failed in the past. You'll also learn about the role addictive susceptibility plays in your personal weight-loss journey, where cravings come from, how to rewire your brain so they disappear, and more. Susan guides you through the phases of Bright Line Eating—from weight loss to maintenance and beyond—and offers a dynamic food plan that will work for anyone, whether you're vegan, gluten-free, paleo, or none of the above. Bright Line Eating frees us from the obesity cycle and introduces a radical plan for sustainable weight loss. It's a game changer in a game that desperately needs changing.

**17 day diet food list: The Abs Diet** David Zinczenko, 2004-06-19 Explains how to lose up to twenty pounds and create the washboard abdomen that every man wants, offering a meal plan, a workout program with a focus on lower-body exercises, twelve superfoods, and a simple maintenance plan.

**17 day diet food list: *The Wild Diet*** Abel James, 2016-01-19 Abel James, the ABC star and creator of the #1 Fat-Burning Man Show, shares his revolutionary weight-loss program in The Wild Diet - now a New York Times Bestseller! Can you really lose 20 pounds in 40 days while enjoying real butter, juicy burgers, chicken parmesan, chocolate, and even cheesecake? The answer might surprise you. By focusing on simple, fresh ingredients and nutrient-dense meals, The Wild Diet programs your body to burn fat as its main fuel source. Eating Wild, thousands of people across the world have dropped 20, 60, or even more than 100+ pounds without hunger... and often with minimal exercise. In The Wild Diet, you'll find that we are not meant to starve ourselves, count

calories, or avoid delicious food. We're wired to eat luxuriously and live well without getting fat. If you think that you're stuck with the genes you inherited and there's nothing you can do about it, read closely. The Wild Diet paints a different picture, one in which we have the power to influence our genetic expression by taking control of the quality of food we eat, the way we move, and the environment around us. We once had access to an immense variety of fresh seasonal foods from small, local sources. Now we have access to few varieties of processed foods from a massive industrial system often thousands of miles from where we live. The secret to great health simply getting back to our wild roots and enjoying real, Wild foods grown on a farm and not in a factory. By prioritizing foods found in the natural world, rich in fiber and nutrients, your body will burn fat instead of sugar for energy. When you reduce your consumption of processed grains, sugars and other simple carbohydrates in favor of healthy plants and animals, you will be shocked by how quickly you can reverse the damage of decades of poor eating. The Wild Diet proves that it's possible to get in best shape of your life while eating delicious foods like chicken parmesan, bacon cheeseburgers, and even chocolate pudding. If you want to know how to burn more fat by indulging in incredible meals and exercising less, it's time to treat yourself to The Wild Diet.

**17 day diet food list:** *The Real Meal Revolution* Tim Noakes, Jonno Proudfoot, Sally-Ann Creed, 2015-07-30 'Scientists labelled fat the enemy . . . they were wrong.' Time magazine We've been told for years that eating fat is bad for us, that it is a primary cause of high blood pressure, heart disease and obesity. The Real Meal Revolution debunks this lie and shows us the way back to restored health through eating what human beings are meant to eat. This book will radically transform your life by showing you clearly, and easily, how to take control of not just your weight, but your overall health, too - through what you eat. And you can eat meat, seafood, eggs, cheese, butter, nuts . . . often the first things to be prohibited or severely restricted on most diets. This is Banting, or Low-Carb, High-Fat (LCHF) eating, for a new generation, solidly underpinned by years of scientific research and by now incontrovertible evidence. This extraordinary book, already a phenomenal bestseller, overturns the conventional dietary wisdom of recent decades that placed carbohydrates at the base of the supposedly healthy-eating pyramid and that has led directly to a worldwide epidemic of obesity and diabetes. Both a startling revelation, and as old as humanity itself, it offers a truly revolutionary approach to healthy eating that explodes the myth, among others, that cholesterol is bad for us. This is emphatically not just another unsustainable, quick-fix diet or a fad waiting to be forgotten, but a long-delayed return to the way human beings are supposed to eat.

**17 day diet food list:** *The Mediterranean Diet for Every Day* Telamon Press, 2013-12-20 Experience the amazing benefits of the Mediterranean Diet in just one month. The Mediterranean Diet is certified as one of the healthiest diets by trusted organizations from the American Heart Association to the Mayo Clinic. **17 day diet food list:** *Damn Delicious* Rhee, Chungah, 2016-09-06 The debut cookbook by the creator of the wildly popular blog Damn Delicious proves that quick and easy doesn't have to mean

boring. Blogger Chungah Rhee has attracted millions of devoted fans with recipes that are undeniable 'keepers'-each one so simple, so easy, and so flavor-packed, that you reach for them busy night after busy night. In *Damn Delicious*, she shares exclusive new recipes as well as her most beloved dishes, all designed to bring fun and excitement into everyday cooking. From five-ingredient Mini Deep Dish Pizzas to no-fuss Sheet Pan Steak & Veggies and 20-minute Spaghetti Carbonara, the recipes will help even the most inexperienced cooks spend less time in the kitchen and more time around the table. Packed with quickie breakfasts, 30-minute skillet sprints, and speedy takeout copycats, this cookbook is guaranteed to inspire readers to whip up fast, healthy, homemade meals that are truly 'damn delicious!'

**17 day diet food list:** *The Ultimate Guide to the Daniel Fast* Kristen Feola, 2010-12-21 With 21 devotionals and 100+ recipes, this book is your ultimate plan of action and toolbox as you commit to the Daniel Fast. You'll not only embrace healthier eating habits, you'll also discover a greater awareness of God's presence. Divided into three parts--fast, focus, and food--this book is your inspirational resource for pursuing a more intimate relationship with God as you eliminate certain foods such as sugars, processed ingredients, and solid fats from your diet for 21 days. Author Kristen Feola explains the Daniel Fast in easy-to-understand language, provides thought-provoking devotions for each day of the fast, and shares more than 100 tasty, easy-to-make recipes that follow fasting guidelines. In a conversational style, Feola helps you structure the fast so you can spend less time thinking about what to eat and more time focusing on God. As Feola writes, When you want ideas on what to cook for dinner, you can quickly and easily find a recipe. When you feel weary, you can be refreshed through Bible verses and devotions. When you are struggling with staying committed, you can refer to the information and tools in this book to motivate you.

"A far more effective way to lose weight." —Daily Mail "Put an end to 24/7 calorie counting." —The Sun "Revolutionary and clinically proven." —Good Housekeeping

**17 day diet food list:** *The TB12 Method* Tom Brady, 2017-09-19 The #1 New York Times bestseller by the 6-time Super Bowl champion The first book by New England Patriots quarterback Tom Brady--the 6-time Super Bowl champion who is still reaching unimaginable heights of excellence at 42 years old--a gorgeously illustrated and deeply practical athlete's bible that reveals Brady's revolutionary approach to sustained peak performance for athletes of all kinds and all ages. In modern sports, some athletes have managed to transcend their competition in a way that no one will ever forget: Jordan. Jeter. Ali. Williams. These elite legends have changed the game, achieved the unthinkable, and pushed their bodies to unbelievable limits. Joining their exclusive ranks is Tom Brady. Brady is the healthiest great champion the NFL has ever had, both physically and mentally (Sally Jenkins, *The Washington Post*). The longtime New England Patriots quarterback, who in 2017 achieved his fifth Super Bowl win and fourth Super Bowl MVP award, is widely regarded as an athlete whose training and determination pushed him from a mediocre draft position to the most-revered and respected professional football player of his generation. In *The TB12 Method*, Tom Brady explains how he developed his groundbreaking approach to long-term fitness, presenting a comprehensive, step-by-step guide to his personal practice. Brady offers the principles behind pliability, which is at the heart of a new paradigm shift and movement toward a more natural, healthier way of exercising, training, and living--and one that challenges some commonly held assumptions around health and wellness. Filled with lessons learned from Brady's own peak performance training, and step-by-step action steps to help readers develop and maintain their own

peak performance, The TB12 Method also advocates for more effective approaches to strength training, hydration, nutrition, supplementation, cognitive fitness, recovery, and other lifestyle choices that dramatically decrease the risk of injury while amplifying and extending performance, as well as quality of life. After using his methods for over a decade, Brady believes that the TB12 approach has made him--and can make any athlete, male or female, in any sport and at any level--achieve their own peak performance. With instructions, drills, photos, in-depth case studies that Brady himself has used, as well as personal anecdotes and experiences from on and off the field, The TB12 Method is the only book an athlete will ever need, a playbook from Brady himself that will change the game.

**17 day diet food list: *Discovering the Word of Wisdom*** Jane Birch, 2013-11-26 This book is a lively exploration of the amazing revelation known to Mormons as the "Word of Wisdom." It counsels us how and what we should eat to reach our highest potential, both physically and spiritually. New and surprising insights are presented through the perspective of what has been proven to be the healthiest human diet, a way of eating supported both by history and by science: a whole food, plant-based (WFPB) diet. WFPB vegetarian diets have been scientifically proven to both prevent and cure chronic disease, help you achieve your maximum physical potential, and make it easy to reach and maintain your ideal weight. In this book, you'll find the stories of dozens of people who are enjoying the blessings of following a Word of Wisdom diet, and you'll get concrete advice on how to get started! You will discover: What we should and should not eat to enjoy maximum physical health. How food is intimately connected to our spiritual well being. Why Latter-day Saints are succumbing to the same chronic diseases as the rest of the population, despite not smoking, drinking, or doing drugs. How the Word of Wisdom was designed specifically for our day. How you can receive the "hidden treasures" and other blessings promised in the Word of Wisdom. Why eating the foods God has ordained for our use is better not just for our bodies, but for the animals and for the earth. You may think you know what the Word of Wisdom says, but you'll be amazed at what you have missed. Learn why Mormons all over the world are "waking up" to the Word of Wisdom!

**17 day diet food list: *Clean & Lean*** Ian K. Smith, M.D., 2019-04-09 The Instant New York Times Bestseller Eat clean, get lean! Losing weight can be simple—get back to basics on your plate, harness the power of intermittent fasting for quick results, save time and money, and train your body to move, and the excess pounds will slip away. The bestselling author of SHRED and The Clean 20 cracks the code for all of us who live in the modern world where we've lost touch with what real food is—and how good it tastes—and what our bodies are designed to do. Dr. Ian wrote Clean & Lean to put what he knows about nutrition and physiology in one place, and to motivate you to: --Use intermittent fasting to discover your optimal eating times each day --Explore clean eating with 30 (!) fresh, real foods that you can combine endlessly for meals and snacks --Try his day-by-day 30-day diet plan that tells you just what to eat, while still giving you loads of options --Get up and move: customized exercise plans for all fitness levels won't wear you out, but will energize you and accelerate your results --Take off up to 15 pounds in 30 days!

**17 day diet food list: *The Skinny Rules*** Bob Harper, Greg Critser, 2012-05-15 THE LAST DIET BOOK YOU'LL EVER NEED With so much conflicting weight-loss advice out there to confuse your efforts, it's no wonder you haven't been successful losing weight and keeping it off. But with Bob Harper, superstar trainer and co-host of NBC's hit show The Biggest Loser as your personal authority and coach, you can and will finally shed the pounds—whether you want to lose two or two hundred! Distilling Bob's vast knowledge of nutrition, weight-loss strategy, and human nature down to twenty simple, nonnegotiable principles, The Skinny Rules will help you step away from a reliance on processed foods and the need for so much sweet and salt and step into a newly thin lifestyle. And Bob's methods couldn't be more straightforward. Taking the guesswork out of implementing the Skinny Rules, Bob offers a month's worth of menu plans and more than 90 delicious, rule-abiding recipes for breakfast, lunch, dinner, and snacks to keep you cooking and eating skinny for life. You'll be happily astounded to see the variety and volume of the tasty food on your plate! He also includes terrific tips for what to stock in your fridge and what to prepare every weekend in order to set

yourself up for success during your too-busy-to-cook weekdays. A virtual GPS to your weight-loss goals, *The Skinny Rules* takes the mystery out of the process, offering the fastest route to your skinny destination. LOSING WEIGHT IS NOW AS SIMPLE AS 1-2-3 . . . AND 3-15-18-20 TOO! Rule #3: Eat protein at every meal, making some kind of fish your go-to protein as often as you can. Take your weight and divide it by two—that's more or less how much protein you should be eating in grams every day. Rule #15: Eat at least ten meals a week at home (and cook them yourself). Restaurant portions are usually 40 to 50 percent bigger than what you'd serve at home—the more you eat out, the more you overeat. Set yourself up for success by preparing my turkey meatballs, hummus, and roasted vegetables on the weekend so that you will have go-to staples and no excuses! Rule #18: Go to bed slightly hungry. Denied fuel for more than five hours, your body will start burning its own fat and sugar. Make a point not to eat after dinner and you'll be burning fat while you're sleeping. Rule #20: Enjoy a splurge meal once a week. Unlike episodic bingeing, splurge meals are an ingredient in your diet. When you plan something, you are in control.

**17 day diet food list:** *The Fast Metabolism Diet* Haylie Pomroy, 2014 Beverly Hills nutritionist Haylie Pomroy has a long list of loyal celebrity clients - including Jennifer Lopez, Raquel Welch and Reese Witherspoon. With this book she makes her carpet-ready methods available to everybody - and promises you can lose up to 20 lbs in 28 days.

**17 day diet food list:** *The 21-Day Sugar Detox* Diane Sanfilippo, 2013-10-29 SUGAR IS TAKING OVER OUR LIVES. But why? And is it only those sweet, refined white crystals that are causing us problems, or could there be more to the story? Let's be honest: The problem isn't just sugar itself. It's the refined, nutrient-poor carbohydrates that carry tons of calories, but no real nutrition. In our world, these are the easiest foods to grab on the go, but they leave us fat, sick, tired, and downright unhappy. The effect that sugar, hidden carbs, and refined, processed foods have on our bodies goes far beyond our waistlines. We can't focus, we can't sleep, we have irrational mid-afternoon cravings, and we can't even make it through the day without wanting—or needing—to prop up our energy levels with caffeine or even more sugar! What can we do to break free from this cycle? The 21-Day Sugar Detox is here to help. The 21-Day Sugar Detox is a clear-cut, effective, whole-foods-based nutrition action plan that will reset your body and your habits! Tens of thousands of people have already used this groundbreaking guide to shatter the vicious sugar stronghold. Now it's your turn! Use the easy-to-follow meal plans and more than 90 simple recipes in this book to bust a lifetime of sugar and carb cravings in just three weeks. Three levels of the program make it approachable for anyone, whether you're starting from scratch or from a gluten-free, grain-free, and/or Paleo/primal lifestyle. The 21-Day Sugar Detox even includes special modifications for athletes (endurance, CrossFit, HIIT-style, and beyond), pregnant/nursing moms, pescetarians, and people with autoimmune conditions. What you'll experience on this program will be different from a lot of other diet programs out there that promote extremely restricted eating; encourage you to consume only shakes, juices, or smoothies; or rely heavily on supplements and very-low-calorie or very-low-fat diets to ensure success. The goal of any detox program should be to support your body in naturally cleansing itself of substances that create negative health effects—and that's exactly what The 21-Day Sugar Detox does. By focusing on quality protein, healthy fats, and good carbs, this program will help you change not only the foods you eat, but also your habits around food, and even the way your palate reacts to sweet foods. You'll likely complete the program and continue eating this way much of the time thereafter because you'll feel so amazing. After changing your everyday eating habits, you will begin to gain a new understanding of how food works in your body—and just how much nutrition affects your entire life. There's no reason to wait!

**17 day diet food list:** *AARP The Paleo Diet Revised* Loren Cordain, 2012-04-23 AARP Digital Editions offer you practical tips, proven solutions, and expert guidance. Eat for better health and weight loss the Paleo way with this revised edition of the bestselling guide with over 100,000 copies sold to date! **17 day diet food list: Eat to Beat Disease** William W Li, 2019-03-19 Eat your way to better health with this New York Times bestseller on food's ability to help the body heal itself from cancer, dementia, and dozens of other avoidable diseases. Forget everything you think you know about your body and food, and discover the new science of how the body heals itself. Learn how to identify the strategies and dosages for using food to transform your resilience and health in Eat to Beat Disease. We have radically underestimated our body's power to transform and restore our health. Pioneering physician scientist, Dr. William Li, empowers readers by showing them the evidence behind over 200 health-boosting foods that can starve cancer, reduce your risk of dementia, and beat dozens of avoidable diseases. Eat to Beat Disease isn't about what foods to avoid, but rather is a life-changing guide to the hundreds of healing foods to add to your meals that support the body's defense systems, including: Plums Cinnamon Jasmine tea Red wine and beer Black Beans San Marzano tomatoes Olive oil Pacific oysters Cheeses like Jarlsberg, Camembert and cheddar Sourdough bread The book's plan shows you how to integrate the foods you already love into any diet or health plan to activate your body's health defense systems-Angiogenesis, Regeneration, Microbiome, DNA Protection, and Immunity-to fight cancer, diabetes, cardiovascular, neurodegenerative autoimmune diseases, and other debilitating conditions. Both informative and practical, Eat to Beat Disease explains the science of healing and prevention, the strategies for using food to actively transform health, and points the science of wellbeing and disease prevention in an exhilarating new direction.

**17 day diet food list: Dietary Guidelines for Americans 2015-2020** HHS, Office of Disease Prevention and Health Promotion (U.S.), USDA , Center for Nutrition Policy Promotion (U.S.), 2015-12-31 Learn more about how health nutrition experts can help you make the correct food choices for a healthy lifestyle The eighth edition of the Dietary Guidelines is designed for professionals to help all individuals, ages 2 years-old and above, and their families to consume a healthy, nutritionally adequate diet. The 2015-2020 edition provides five overarching Guidelines that encourage: healthy eating patterns recognize that individuals will need to make shifts in their food and beverage choices to achieve a healthy pattern acknowledge that all segments of our society have a role to play in supporting healthy choices provides a healthy framework in which individuals can enjoy foods that meet their personal, cultural and traditional preferences within their food budget This guidance can help you choose a healthy diet and focus on preventing the diet-related chronic diseases that continue to impact American populations. It is also intended to help you to improve and maintain overall health for disease prevention. \*\*NOTE: This printed edition contains a minor typographical error within the Appendix. The Errata Sheet describing the errors can be found by clicking [here](#). This same errata sheet can be used for the digital formats of this product available for free. Health professionals, including physicians, nutritionists, dietary counselors, nurses, hospitality meal planners, health policymakers, and beneficiaries of the USDA National School Lunch and School Breakfast program and their administrators may find these guidelines most useful. American consumers can also use this information to help make healthy food choices for themselves and their families.

**17 day diet food list: Your Guide to Lowering Your Blood Pressure with Dash** U. S. Department Human Services, National Health, Department Of Health And Human Services, Lung, and Blood, National Heart Institute, National Heart Lung Institute, And, 2012-07-09 This book by the National

Institutes of Health (Publication 06-4082) and the National Heart, Lung, and Blood Institute provides information and effective ways to work with your diet because what you choose to eat affects your chances of developing high blood pressure, or hypertension (the medical term). Recent studies show that blood pressure can be lowered by following the Dietary Approaches to Stop Hypertension (DASH) eating plan-and by eating less salt, also called sodium. While each step alone lowers blood pressure, the combination of the eating plan and a reduced sodium intake gives the biggest benefit and may help prevent the development of high blood pressure. This book, based on the DASH research findings, tells how to follow the DASH eating plan and reduce the amount of sodium you consume. It offers tips on how to start and stay on the eating plan, as well as a week of menus and some recipes. The menus and recipes are given for two levels of daily sodium consumption-2,300 and 1,500 milligrams per day. Twenty-three hundred milligrams is the highest level considered acceptable by the National High Blood Pressure Education Program. It is also the highest amount recommended for healthy Americans by the 2005 U.S. Dietary Guidelines for Americans. The 1,500 milligram level can lower blood pressure further and more recently is the amount recommended by the Institute of Medicine as an adequate intake level and one that most people should try to achieve. The lower your salt intake is, the lower your blood pressure. Studies have found that the DASH menus containing 2,300 milligrams of sodium can lower blood pressure and that an even lower level of sodium, 1,500 milligrams, can further reduce blood pressure. All the menus are lower in sodium than what adults in the United States currently eat-about 4,200 milligrams per day in men and 3,300 milligrams per day in women. Those with high blood pressure and prehypertension may benefit especially from following the DASH eating plan and reducing their sodium intake.

**17 day diet food list: Body For Life** Bill Phillips, 1999-06-10 Mention the name Bill Phillips to any of the people he's helped transform and you will see their faces light up with appreciation and respect. These people include: Hundreds of thousands of men and women who read his magazine for guidance and straightforward information about exercise, nutrition, and living with strength. Elite professional athletes, among them John Elway, Karl Malone, Mike Piazza, and Terrell Davis who have turned to Phillips for clear-cut information to enhance their energy and performance. People once plagued by obesity, alcoholism, and life-threatening ailments who accepted a personal challenge from Bill Phillips and, with his help, have regained control of their bodies and their lives. When you begin to apply the information in this book, you will be proving to yourself that astounding changes are within your grasp too. And, you will discover Body-for-LIFE is much more than a book about physical fitness ?t's a gateway to a new and better life, a life of rewarding and fulfilling moments, perhaps more spectacular than you've ever dared to dream before. Within 12 weeks, you too are going to know ?ot believe, but know : that the transformation you've created with your body is merely an example of the power you have to transform everything else in your world. In language that is vivid and down-to-earth, Bill Phillips guides you, step by step, through the integrated Body-for-LIFE Program, which reveals: How to lose fat and increase your strength by exercising less, not more; How to tap into an endless source of energy by living with the Power Mindset™; How to create more time for everything meaningful in your life; How to trade hours of aerobics for minutes of weight training with dramatic results; How to make continual progress by using the High-Point Technique™; How to feed your muscles while starving fat with the Nutrition-for-LIFE Method™; How thousands of ordinary people have now become extraordinary and how you can, too; How to gain control of your body and life, once and for all. The principles of the Body-for-LIFE Program are surprisingly simple but remarkably powerful. So allow yourself to experience the force of the information in this book, allow yourself to take your mind, your body, your life to a higher point than you may have ever dreamed you could. All in as little as 12 weeks.

**17 day diet food list: The Primal Blueprint** Mark Sisson, 2019 The New Primal Blueprint serves as the ultimate road map for anyone wishing to make the shift from flawed conventional wisdom about diet and exercise to a healthy, happy empowering lifestyle patterned after the evolutionary-tested behaviors of our hunter-gatherer ancestors. The book details the ten immutable Primal Blueprint lifestyle laws that enable empower you to reprogram your genes to direct in the

direction of weight loss, health, and longevity. The Primal Blueprint laws are validated by two million years of human evolution as well as an ever-expanding body of contemporary scientific research. Sisson's philosophy was originally met with skepticism as he aggressively challenged numerous mainstream health tenets. Eight years later, mainstream medical and health science are validating the Primal Blueprint tenets assertions that a high-carb, grain-based diet will make you fat, tired, and sick; that a consistent routine of medium-to-difficult cardiovascular workouts can actually compromise your health and longevity and increase risk of heart disease; and that consuming (whole food sources of) fat and cholesterol does not lead to heart disease as we have been led to believe, but rather offers many health benefits. --

**17 day diet food list: The Fast Diet** Michael Mosley, 2013 Is it possible to eat what you like, most of the time, and get thinner and healthier as you do it? Simple answer: yes. You just have to restrict your calorie intake for two non-consecutive days each week (500 calories for women, 600 for men). This book brings together the results of recent revolutionary research to create a dietary programme that anyone can incorporate into their normal working life.
