Steam Boiler Engineering Heine Safety Boiler Company,2017-10-12 Excerpt from Steam Boiler Engineering A Treatise on Steam Boilers and the Design and Operation of Boiler Plants Adored by the ancient husbandman as the God who blessed his labors with a harvest of golden grain revered by the early sage as the great visible means of the divine creative force pictured by the inspired artist as the tire less charioteer who drives his four fiery steeds daily across the heavens his head circled by a crowd of rays his chariot wheel the disk of the sun itself When primeval man began to think the sun seemed to him the cause of all those wonders in nature which ministered to his simple wants or taught his soul to hope His crude feelings of awe and gratitude blossomed into worship and we find the sun as central figure in all early religions He was the Suraya of the Hindoos The Baal of the Phoenicians the Odin of the Norsemen and his temples arose alike in ancient Mexico and Peru As Mithras of the Parsees he was adored as the symbol of the Supreme Deity his mes senger and agent for all good As Osiris he received the worship and offerings of the Egyptians whose priests early adepts in the rudiments of science saw in him the cause of the annual fructifying over ow of the Nile Modern knowledge with its vast array of facts and figures can but verify and seal the faith of these ancient observers What they dimly discerned as probable is now the central fact of physical science From him are derived all the forces of nature which have been yoked into the service of man All animal and plant life draws its daily sustenance from the warmth and light of the sun and it is but his transmuted energy we expend when with muscle of man or horse we load our truck or roll it along the highway About the Publisher Forgiven Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgiven Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
